Principal’s Comment

Federal Election Day
On Saturday 21st August, our School was once again on show as a Polling Centre for the Federal Election. From 7.45am the line was already 50 deep and this continued right throughout the day. It was a great opportunity for a school fundraiser and many thanks must go to our wonderful staff and parent community who ran the scrumptious sausage sizzle and volunteered their time. We now look forward to the State Election which will be held here on the 27th November.

A huge thank you to Kate Anderson and her family for volunteering their time to run another successful Bunnings BBQ on behalf of the school on Sunday 15th August. This was a big effort and it is wonderful to see that we have people that are passionate about the school in raising funds that will benefit their children’s education.

A reminder to all members of our school community about the upcoming fundraising events that will require some volunteer support.

Sunday 12th September: Laurimar Fun Run: 8.00am-11.00am
Saturday 18th September: Bunnings BBQ(Millpark) 8.30am-3.30pm
Friday 24th September: Laurimar Golf day @ Growling Frog

Flags
It is with great disappointment that I announce that our 2 school flags, National and You Can Do It: Resilience flag were cowardly stolen from their masts on Friday evening. How sad is it that your National Flag wasn’t even allowed to fly proudly for the Federal Election? What purpose would a Resilience Flag serve to anyone other than in a school setting? It is so unfortunate that our community actually is home to some very low human beings that would commit such an act. If anyone has any information regarding the whereabouts of the flags please let the office know.

Immersion Program/Schools Partnership Program
(Deakin University)
Over the past couple of weeks, teaching staff from both Findon and Lalor Primary Schools have been immersed in our school community. These staff were released from their schools for a one week block to be immersed with our staff in our school

Calendar of Events

Saturday 18th September
Bunnings Mill Park Sausage Sizzle – parent helpers required
environment and to focus on the effective use of open learning spaces and the quality use of ICT practices. Both lots of staff walked away from our school armed with a host of valuable resources, programs and ideas for their school and were inspired by our students and staff. A huge thank you must go to all staff and students that warmly immersed fellow colleagues into our dynamic school environment. We can all be very proud that what we do here at Laurimar is cutting edge and sets a fine example to others.

**Pupil Free Curriculum Day**
On Thursday 9th September our school will conduct its fourth and final Pupil Free day for 2010. All staff will be involved in a Professional Development day focussing on the Asian Literacy Program for 2011 and looking at strategies to implement this program across the school. Students will be able to prepare for the whole school ‘Footy and Ride to School day’ the following day on the 10th September.

**Senior School Playground**
Some brilliant news on our Senior School playground with the facility 50% complete at the time of this Newsletter going to print. Our students in years 3-6 will be able to use their new playground from Monday. This is an exciting project which has been made possible by the hardworking fundraising teams that have worked tirelessly on raising funds on numerous initiatives over the past 2 years.

**Building Works Near School**
We are currently negotiating an agreement to shift the fence a fraction so that the footpath near the construction of the Community Activity Centre can once again be accessible. Since construction last Friday, it has made pedestrian access to the school crossing and joining footpaths extremely difficult and we have been working with Council to rectify the situation. As a school, we have constantly reinforced with the students the correct way to enter and exit the school in the safest possible manner and we want to be able to continue this. Thank you to all parents that have expressed concerns about this important safety issue.

Another project that is currently under construction is the skate park to the Northern Precinct of the school. A reminder to all students that this is a building zone and under no circumstances is any person/s permitted to go onto this site. We have had a few reports of students going onto the site after school. Could we all please reinforce with our children that this is not permitted due to safety hazards.

**Laurimar Primary School Golf Day**
Through the past couple of newsletters we have advertised the Inaugural Laurimar Primary School Golf Day to be held at the Growling Frog Golf Course on Friday 24th September. Of the 88 spots available 21 have been filled. We still require 67 spots so please if you are thinking about having a hit and joining in what will be the start of a great tradition, please see the ladies in the office for more details and to secure your spot. Book a single place and we will align you with a group or book a group of 4. Who will get their name on the Coveted Shield and be a part of history? A great way to kick off AFL Grand Final celebrations with a hit of golf on Grand Final Eve!

Finally, congratulations to our wonderful grade 5/6 teacher, Emma Liddle who will celebrate her engagement party tomorrow night with Brad. We hope all goes very well for the both of you!

Jason McBean  
Acting Principal

**Intra School Athletics Day**
The Intra School Athletics Day on Friday the 27th of August has once again been cancelled. This is not due to the rain but the high wind chill that has been sweeping through Laurimar recently. We want to keep the children's health and enjoyment as the main priority. The forecast for tomorrow is very similar to today and yesterday, although there seems to be light at the end of this cold and windy tunnel. The weather looks to be clearing for Tuesday - a pleasant sunny 19 degrees with minimal wind. We will plan to have the Intra School Athletics Day then (Tuesday 31st of August). Once again, you are more than welcome to come and support your child on Tuesday. Tomorrow will be a normal timetable day. The Athletics lunch will still go ahead on Friday.

**Lort Smith Animal Hospital**
A huge thank you to the all of the families who made a donation to the Lort Smith Animal Hospital. We raised $156 and collected 10 garbage bags full of blankets.
Selected Junior School Council representatives, Jason McBean and myself will be visiting the animal hospital next week to give our donation. It’s fantastic to see the families at Laurimar are keen to keep on giving, not only to the school but to such worthy causes. Every little bit helps. Well done everyone!

Amy Martini
Junior School Council Co-ordinator

**Fundraising News**

**Bunnings Mill Park Sausage Sizzle, Saturday 18th September 8.00am to 4.00pm**

We are having a BBQ at Bunnings Mill Park on Saturday 18th September. Parent helpers are required for this day from 8.00am till 4.00pm for an hour at a time, 3 to 4 helpers are needed for each hour block. Please notify the office of your availability and we will put your name on the roster for the day.

**Cadbury Chocolates**

Just a reminder that the chocolate money is due by Friday 10th September. Thank you to those families who have already sold their chocolates and returned the money. There are a few extra boxes available for those who would like to sell some more, just let the office know and we will send it home with the kids. All monies raised will be going towards the senior playground equipment which has commenced today.

**Spotlight on Social Emotional Learning**

Those of you who attended our Monday morning assembly this week were fortunate to see the presentation of our new YCDI! flags to be proudly displayed in the Library for all to see and enjoy. These bright and colourful flags, representing each of the 5 Keys to Success, were a project undertaken last term by the students in Years 3-6. Almost every single student had a go at a very tricky task…blanket stitching! I was very proud to see the confidence the students showed as they had a go, as well as the persistence they demonstrated despite much tangling of wool and the occasional pricked fingertip!

This project would not have been the success it was if not for the wonderful band of parents and grandparents who gave up their valuable time to thread needles, teach students how to blanket stitch and be a trouble shooter when those inevitable tangles happened!

So thank you VERY much to Michelle Roberts, Kimberley Easy, Susan Martin, Dianne Tyzzer, Carol-Ann Newell, Nikki Elliot, Merrilyn Numa and Dianne White. Your help was very much appreciated!

This project took a lot of time and hard work but what a result!! Yes, persistence pays off yet again and the students should be very proud of their efforts!!

This term’s challenge is to scan newspapers and magazines for headlines that reflect the 5 Keys to Success. Headlines like…”Confidence is the Key!” or “Buckley Bounces Back” or “Swim Team says We Can Do It!” So keep your eyes open and have scissors at the ready and send those headlines up to school!

That’s all for now! Stay tuned for the next instalment and remember…

**You Can Do It!!**

Cheers! Marg Milne ☺

**Student of the week 16th August**

and focus in the classroom. Keep it up Tyla, I am very proud of you!

| Grade 1B | Chais Scott-Walker | For working so hard all week and for the enormous improvement in all his work. Fantastic effort Chais! |
| Grade 1C | Lincoln Hodgson | For demonstrating a persistent and hard working attitude towards his writing. He has made a tremendous improvement in his handwriting since the beginning of the year! Keep up the good work! |
| Grade 1/2A | Timothy Roles | For persisting at improving the presentation of his writing and work. Great to see you trying so hard. Keep it up! |
| Grade 2A | Ethan Pearson | For his enthusiastic approach to using his netbook when learning, especially in creating a photostory of our excursion. Well done Ethan! |
| Grade 2B | Thomas Couacaud | For his outstanding persistence and confidence in himself to finish work. Keep up the great work Thomas! |
| Grade 3A | Aimee O’Day | For showing resilience by problem solving and getting on with it. You have been working so hard lately and always try your best to think positively. Great effort! |
| Grade 3B | Nathan Sharkie | For a pleasing improvement with his organisation, trying hard to finish work on time and remain ‘on task’. He has a voice in the classroom, regularly contributing and asking questions as they arise. I’m very impressed with your efforts Nathan. Keep it up champ! |
| Grade 4A | Ethan Bezzina | For his improved effort with his work and for using his time in class well. Your organisation around the classroom and with your netbook has been heaps better! Keep up the good work! |
| Grade 4B | Dale Higgins | For working hard with his maths rotations and for his excellent attitude towards completing his division tasks. Well done Dale! |
| Grade 5/6A | Tom Ostrowsky | For the extra effort he has put in during his literacy rotations this week. Tom, you have worked really hard on your book review and your persuasive writing! Keep up this awesome work! |
| YCDI | Lachlan Moon | For showing enormous persistence in the long jump at the athletics trials |
| P.E. | Kyle Denton | Kyle has been so magnificent when participating in PE & PMP. He always follows the teachers instructions and gets along with other students in his grade. Keep up the fabulous work Kyle! |
